【教育目的/授業科目 (Course objectives)】	
The objectives of this course are to improve confidence and communicative ability in English discussion and presentation. Specifically, to improve proficiency in the strategies necessary to communicate information clearly and interact effectively in spoken discussion and Q&A contexts. These include effective presentation strategies (eg. for content, delivery and visuals) and the ability to effectively manage a Q&A or discussion (eg. strategies for clarifying, paraphrasing, elaborating).	
【指導方針 (Course methodology)】	
Active student participation will be expected in a range of pair-work and small group activities. Classes will also include regular vocabulary peer-testing and student mini-presentations/discussions. There is also a self-study(homework) component to this course with students being expected to complete at least 1hour/lesson outside class.
