### ■ 授業科目概要

担当責任教員	McDowell Leigh
担当教員	McDowell Leigh
教育目的／授業目標	Building on the Professional Communication 1 course, this course aims to further improve proficiency in English communication for future careers in business and research. This subject will focus specifically on practical listening and reading skills using materials from a range of professional contexts such as conferences, meetings, business emails, and finding employment. This course will also focus on further building interactive speaking skills and strategies for conversation, discussion, and Q&A contexts. Tactics and self-study skills to further improve TOEIC test scores will also be looked at.
授業概要／指導方針	This is a student-centered communicative language course and accordingly active student participation will be expected in a range of pair-work and small-group activities. This course also has a significant self-study component including extensive reading and vocabulary building.
